§ 984.68 Expenses.

The Board is authorized to incur such expenses as the Secretary finds are reasonable and likely to be incurred by it during each marketing year for the maintenance and functioning of the Board, and for such other purposes as the Secretary may, pursuant to this part, determine to be appropriate. § 984.69 Assessments.

(a) *Requirement for payment.* Each handler shall pay the Board, on demand, his pro rata share of the expenses authorized by the Secretary for each marketing year. Each handler's pro rata share shall be the rate of assessment per kernelweight pound of walnuts fixed by the Secretary times the kernelweight of merchantable walnuts he has certified. At any time during or after the marketing year the Secretary may increase the assessment rate as necessary to cover authorized expenses and each handler's pro rata share shall be adjusted accordingly.

(b) *Reserve walnut pool expenses.* The Board is authorized temporary use of funds derived from assessments collected pursuant to paragraph (a) of this section to defray expenses incurred in disposing of reserve walnuts pooled. All such expenses shall be deducted from the proceeds obtained by the Board from the sale or other disposal of pooled reserve walnuts.

(c) *Refunds.* At the end of a marketing year, funds in excess of the marketing year's expenses shall be refunded to handlers from whom collected and each handler's share of such excess funds shall be the amount of assessments he has paid in excess of his pro rata share of the actual expenses of the Board. Excess funds may be used temporarily by the Board to defray expenses of the subsequent marketing year: *Provided*, That each handler's share of such excess shall be made available to him by the Board within five months after the end of the year.

(d) *Termination.* Any money collected from assessments hereunder and remaining unexpended in the possession of the Board upon termination of this part shall be distributed in such manner as the Secretary may direct.
